—	120	40	Chang Yung Lin	Bogue Forts
—	100	40	Yueh Shai	Bogue Forts

The image is a high-contrast, black and white scan of a textured surface. The top half is a light gray area with a dense, speckled pattern of small dark dots and fibers. The bottom half is a solid, dark black area. The boundary between the two is a sharp, horizontal line. There are some small, dark, irregular shapes scattered along the boundary and within the light area, possibly representing dust or imperfections in the material.
